Depending on your dental health, your dentist or hygienist will advise which plan is needed to maintain your dental health.		

How do these appointments help you?

Dental health examinations provide:

- Clinical examination to catch developing problems early
- Checking for signs of oral cancer for early detection
- Small x-rays, where clinically necessary, for further assessment of your oral health.

Hygiene appointments provide:

- Professional removal of harmful plaque and calculus
- Oral health advice and techniques to prevent tooth decay and gum disease
- Fresher breath and a brighter smile for improved self-esteem.

We believe our membership plans are the best way to maintain your oral health, reducing the risk and cost of further treatment in the future.

Please speak to your dentist or our reception team if you would like more information or how you can become a member.
